Every Sunday/holiday you'll find the "ciclovía" on Avenida Poblado close from nearly one end of Medellín to the other. Part exercise, part fashion show, part dog show.

Metro / Cable Car

Poblado is flanked by the Aguacatala y Poblado stations. Like anywhere be vigilant at night time if you must use the metro, as petty crime is not uncommon.

Cable car will be found at San Javier Station where you'll get a full view over the beautiful Medellín City and at Acevedo Station where you'll take to our natural Arví Park.

Yellow Cabs

Yellow cabs are reliable and safe. Tipping is not expected above the metered fare but appreciated.
